

HINDUSTAN FABRICS

A Tradition of Excellence in Premium Fabrics

Established in 2015, Hindustan Fabrics is a trusted manufacturer, exporter, and trader of premium textiles, proudly headquartered in Surat, Gujarat, India. With a strong foundation built on passion for textiles and innovation, we are committed to delivering fabrics that combine luxury, durability, and sustainability – helping designers and brands worldwide bring their creative visions to life.

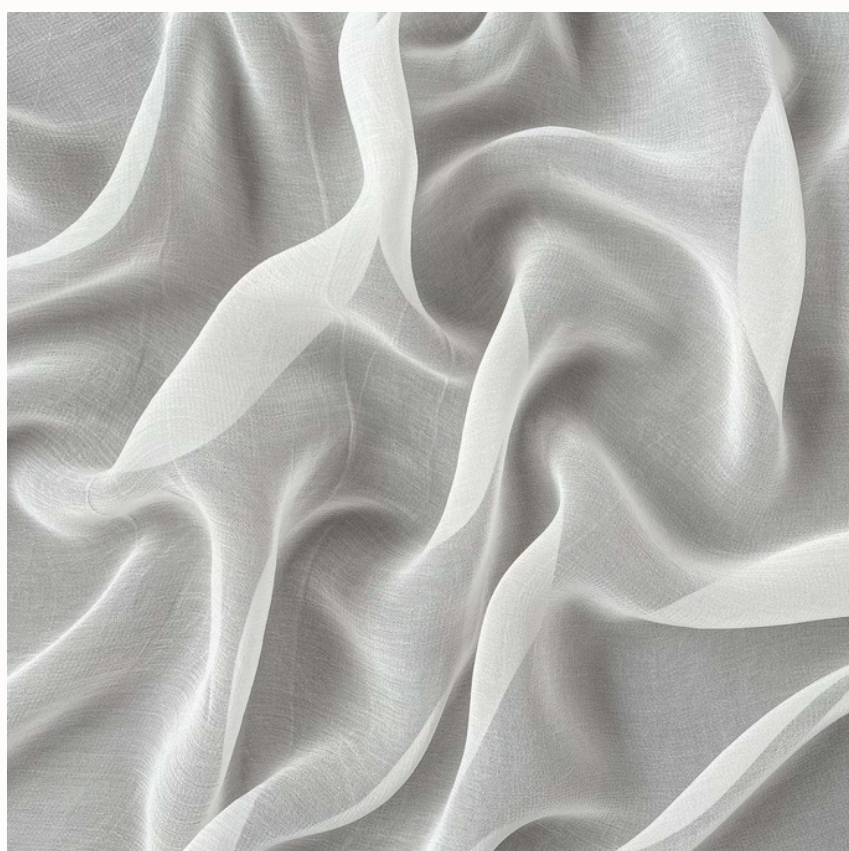

We specialize in a wide range of plant-based and eco-friendly fabrics including:

- Viscose & Modal Fabrics (Satin, Georgette, Crepe, Muslin, Linen, Dola Silk & more)
- Bemberg & Cupro Fabrics – sustainable, biodegradable, and a luxurious alternative to silk
- 100% Pure Silk Fabrics – georgette, chiffon, crepe, organza, and satin
- Sustainable Blends – Tencel, Lyocell, Bamboo Viscose, and eco-friendly innovations

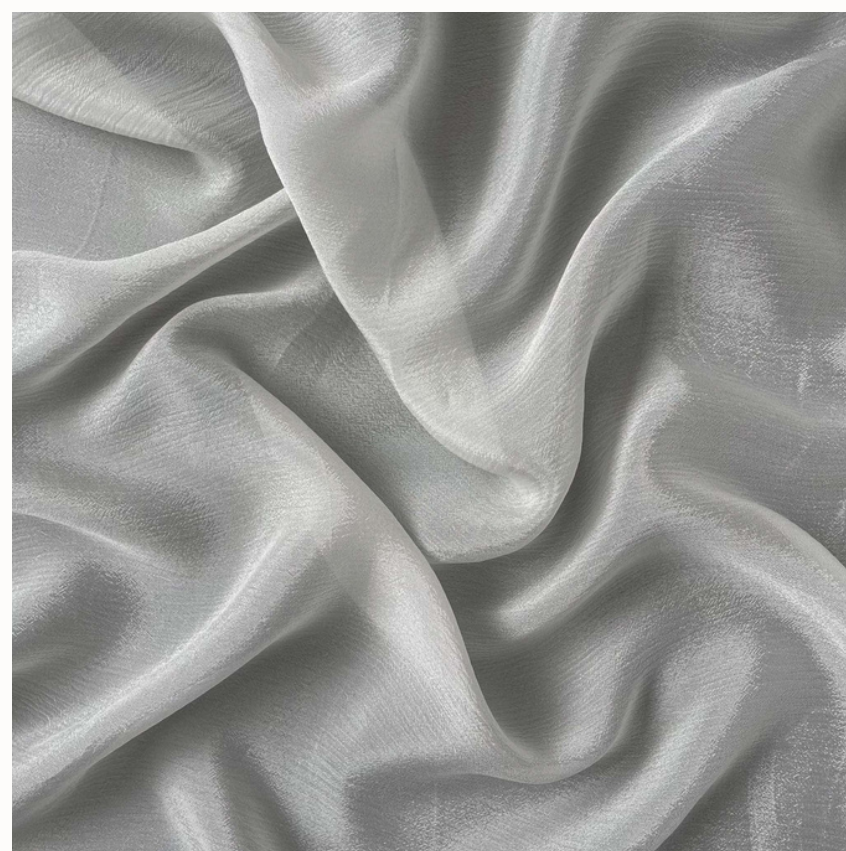

Quality That Inspires

From the beginning, quality has been our core strength. We source high-grade fibers and yarns to craft fabrics with exceptional softness, drape, and durability. Every meter undergoes rigorous quality checks, ensuring consistency in weaving, dyeing, and finishing. This ensures that our fabrics not only look elegant but also perform excellently in garments, couture, and export projects.
